

# Microsoft Comfort Desktop 5050

Dress up your desktop with this beautifully modern keyboard and mouse set. With a tasteful mix of glossy and textured black surfaces, this desktop set will have you appreciating its good looks every day. The ergonomist-approved curved keyboard encourages you to use a more natural posture that aligns your arms, wrists, and hands for greater comfort. With a reliable wireless connection, you can eliminate clutter and work from anywhere in the room—up to 30 feet away. Customize Taskbar Favorites on the keyboard and the buttons on the mouse for quick access to the programs, files, media, and webpages that you use most often.

**Key Features** The Comfort Curve design from Microsoft encourages natural wrist posture and is easy to use. This keyboard features Advanced Encryption Standard (AES\*) technology, which is designed to help protect your information by encrypting your keystrokes. Each keyboard is permanently paired with its receiver at the factory—no key information is ever shared over the air. Built in palm rest helps support and straighten wrists. Give yourself room to move with a wireless keyboard that lets you work without worrying about tangled wires. Customizable Windows shortcut keys to easily access your favorite programs. 1 Take advantage of BlueTrack Technology, which combines the power of optical with the precision of laser for remarkable tracking on virtually any surface. 2 \* Advanced Encryption Standard (AES) is an electronic data encryption specification that was established by the U.S. National Institute of Standards and Technology (NIST). It was subsequently adopted by the US federal government as an approved encryption technology under the FIPS-197 standard. 1 Customizable features require Mouse and Keyboard Center app. 2 BlueTrack Technology does not work on clear glass or mirrored surfaces.
