

Braun PT5010 Precision Trimmer

The Braun precision trimmer provides you with the freedom to create a variety of looks, exactly how you want them. Two trimming combs create precise styles down to the very last millimetre while the extra small trimming attachment helps to define sharp lines and shapes. Key Features Ideal look is a matter of precision. Two trimming combs provide flexible, precise trimming. An extra small trimming element defines sharp lines. Washable head and combs can be easily cleaned under running water. 1 Year Local Manufacturer Warranty. *images are for illustration purpose only
