

De Dietrich DHB7939X 90cm Wall Decorative Island Hood

As the heart of the home, the kitchen is less removed than ever before, with walls being taken down to create open living spaces with dining rooms, living rooms and lounges. This decorative hood has been designed in keeping with current trends, and installs above a large island hob for effective ambient air renewal. Key Features 90cm Decorative Box Island Hood Inox Max Extraction Rate 712m³/h Min Max Noise Levels 54/63 dBa Digital Touch Controls Low Speed 4 Speeds Including Boost 4 x 2w LED Lights Display 3 Grease Filters Grease Saturation Filter 1 Charcoal Filter Delayed Stop Easy to Install Easy to Clean LED Lighting - The Greatest Respect for the Environment This lighting method stands out as consuming almost 85% less electricity and lasting 20 times as long as an incandescent bulb. The system both efficiently illuminates all the pans on your hob and provides you with soft mood lighting that is ideal for over dinner. Delayed Stop Function This system has been designed to totally eradicate any residual postcooking vapours. The hood continues to function for ten minutes after the last speed is selected, then turns itself off automatically. Boost Function sets the hood to work at maximum extraction speed for even greater efficiency when large amounts of vapour or cooking aromas are present. *Images are for illustrative purposes only. *Installation is not included.

Features

General

Brand	De Dietrich
Colour	Stainless Steel
Model	DHB7939X
Product Type	Chimney Hoods

Rangehoods Features

Fan Speeds	4
Light Type	LED
Noise Level	66 dBA
Air Movement (M3/h)	544

Dimensions

Weight (kg)	26
Product Height (cm)	117cm
Product Width (cm)	90cm
Product Depth (cm)	60.5cm

Packaged Dimensions

Packaged Height	88cm
Packaged Length	70cm
Packaged Width	110cm
