

# Tecno KA2028 Chimney Hood

The ultimate all-rounder, this Tecno model has on offer everything you could possibly want from a chimney hood. Scoring high on performance, user-friendliness and design, choosing the KA 2028 is a no-brainer. Key Features No meal is the same. The three speed mechanical button controls allow you to set the right tempo for every cooking adventure. Capable of achieving robust suction of up to 700m<sup>3</sup>/h, this chimney hood can easily outperform other models in its class without compromising on whisper-quiet functionality. The KA 2028's cassette charcoal filters, which efficiently remove odours, smoke and steam are complemented by its washable aluminium filters, which make removing the build-up of grease into a simple task for your dishwasher.
