

# Mitsubishi (MR-V50E2G- SB-P) (Nett 358L) 3 Door Top Freezer Refrigerator - Shiny Black

Keeping up with a healthy lifestyle with the Mitsubishi V Series refrigerator has you keep and store all your perishable for a longer period of time while retaining its nutrition. Key Features Tempered glass shelves are easy to maintain and clean. It is also designed to hold up to 101kg of weight as you are given the freedom to adjust the shelves height according to your storage needs. With a 3D Hybrid design, the combined colours of two enhances usability with no handles while boosting the elegance in your kitchen for a better, more refined setting. With the help of a silvery inorganic anti-bacteria material that is used on the inner cabinet of the refrigerator, it can eliminate 99% of all bacteria and odours. Built-in big tower light from the top to bottom brightens up the whole refrigerator for you to see clearly whenever you are craving for a midnight snack. Retaining about 15% of Vitamin C for vegetable and fruits with the orange LED in the vegetable compartment.
