

# Samsung RB30N4050B1 290L Bottom Mount Fridge

Organise and store your food in a refrigerator that offer ultimate convenience. With its upper and lower compartments, you can now keep your groceries fully organised with the Samsung 2 Door Flex which gives you two fridges and a freezer compartment for ultimate convenience. Key Features Keeps your meat and fish fresh for two times longer The Optimal Fresh zone is a smartly designed drawer that provides the ideal environment to preserve your meat and fish, keeping them fresh for up to two times longer\* without freezing. Adapt to your storage needs Besides using the Optimal Fresh zone to store your meat and fish, the drawer can also be converted back into a fridge to fit your storage needs by simply sliding the knob located at the back of the compartment. Works smart, stays young, saves more Digital Inverter Technology automatically adjusts the compressor speed in response to cooling demand, thus using less energy, while minimising noise and reducing wear and tear for a longer-lasting performance. Samsung also guarantees the durability of its Digital Inverter Compressor with a 10-year warranty. Clean air inside for preservation of flavours The deodorising filter keeps the fridge clean and fresh by passing air through an Activated Carbon filter, preserving the original food flavours for a longer span of time. Enough space for everyone The large capacity of the Optimal Fresh zone, freezer and veggie box means there's plenty of space to store your weekly groceries. The compartments also help to keep your groceries neatly organised so that it's much easier to find everything at one glance. Cools every corner evenly The All-around Cooling system continually monitors any

temperature fluctuation and cools the fridge evenly from corner to corner. Cold air is blown out through multiple vents on every shelf level to create a multi-directional airflow, so that a constant temperature is maintained and food stays fresh longer. Contemporary design The sleek design of the bottom mount freezer creates a clean and contemporary look that enhances the interior of your kitchen. The minimalist stainless steel finish and strikingly beautiful flat doors adds another level of sophistication. \*image are for illustration purposes only
