

LG Smart Inverter MJ3965BGS (39L) Microwave Oven - Black

While providing precise cooking power, the LG MJ3965BGS Microwave Oven's Smart Inverter technology reheats and defrosts a wide range of foods faster than ever. Key Features 39L capacity. All dishes are heated to an even temperature using delicate temperature controls. By adjusting the temperature, meat can be evenly and thoroughly defrosted. The NeoChef function can ferment home-made yogurt. Grills food to perfection. The Charcoal Lighting Heater's revolutionary charcoal filament provides a natural way to cook more flavourful meals in less time. The Healthy Fry function reduces fat from any dish up to 72% and the Healthy Roasting function gives a benefit of 72g fat loss. The Anti-Bacterial EasyClean interior coating eliminates 99.99% of harmful bacteria. The interior white LED lamp is 3 times brighter and energy efficient. The innovative hexagonal ring stabilizes the turntable with six support points to prevent items from tipping and spilling. Compact size fits into any kitchen.
