

Braun Identity Collection FS5100 Food Steamer - Black

The IdentityCollection Food steamer FS 5100 is the powerful appliance for fast, easy and healthy food preparation. The easy timer makes this the ultimate cooking convenience. Key Features Anti-drip pans Each steam basket has its own drip pan to prevent any unwanted mixing of flavours, ensuring tasty steamed food for you and your family. Different baskets for different needs Gently steam large amounts of food or even a whole meal at once. The transparent universal baskets easily accommodate a diversity of ingredients: chicken legs, fish, potatoes, asparagus - whatever you want to make. BPA-free transparent baskets High-quality BPA-free bowl materials provide you with wholesome and healthy meals. The food steamer is also ideal for preparing baby food. *BPA-free for all parts intended to be in contact with food. Based on third-party testing. Easy storage The new nestable baskets allow compact, space-saving storage. Unique steam booster The powerful way for fast, easy and healthy food preparation – fast steam production in just 45 seconds to ensure no long warm-up or waiting times.
