

Miele ESW 7020 Gourmet Drawer - Graphite Grey

Miele ESW 7020 29 cm high handleless Gourmet warming drawer for preheating crockery, keeping food warm and low temperature cooking. Key Features Appliance networking with Miele at home More freedom, safety and convenience Whether you're at home or out and about - control your appliances remotely for a more flexible daily routine. Low temperature cooking Reduced heat for flavoursome results Cooking at low temperatures turns every meat dish into a sumptuous delight. Four functions Universal use 4 in 1: warm up cups or plates, keep food warm or cook at low temperatures. Defrosting Defrost food gently, with no compromise on quality, to keep it fresh. Veal and beef Cooking meat at low temperatures gives it an aromatic flavour and keeps it juicy and succulent. Lamb and poultry Low temperature cooking ensures gentle cooking of these meats and achieves succulent and tender results. *image are for illustration purposes only
