

Electrolux EDV705HQWA 7kg UltimateCare 500 Venting Dryer - White

Give your clothes the care they deserve with gentle drying for up to 32% less wrinkles, meaning less ironing, and longer-lasting protection to always look your best. Key Features Less wrinkles, effortless elegance Alternate clockwise and anti-clockwise drum movements reduce clothes tangling and result in up to 32% less wrinkles*. There's less need for ironing too, so fabrics look newer for longer. *32% less wrinkles vs line drying - tested and certified by THTI Superior colour care Confidently dry your clothes in Electrolux dryers for up to 80% better colour care after 52 cycles*, so your favourites look and stay vibrant for longer. *80% less colour fading vs sun drying - tested and certified by UL. Fabric quality protected, no over-drying Our Smart Sensor customises drying time for precise care. Humidity sensors make sure nothing is ever over-dried, so fabric quality is always protected. Delicate drying, energy saving Experience optimum drying performance, even at lower temperatures. Not only could you save up to 6% in energy usage, but your clothes will be protected, too. *6% energy saving vs previous model Perfect pairing for a seamless look Fit your dryer wherever you want it - either next to, or on top of your washer, using a stacking kit. Pair this dryer with Electrolux UltimateCare™ 500 front load washer for a seamless look. *image are for illustration purposes only
