

Tech21 T21-7813 Samsung Galaxy Note 10 5G Evo Check Case - Black

Tech21 Evo Check case for Samsung Galaxy Note 10 features three layers of ultimate protection against scratches, bumps and drops. Despite being ultra-thin and lightweight, the case protects your device from drops of up to 12ft (3.66m). Key Features Three layers of ultimate protection Tech21 Evo Check case features 3 distinct layers, which blend in with each other to provide an excellent protection for your brand new Samsung Galaxy Note 10 device. On top of the widely-popular PC and TPU layers, the case comes reinforced with a patented 'ribbed' design, as well as a Tech 21 exclusive FlexShock material, which have all been specifically designed to absorb the impact energy of a drop, bump and knock. Special scratch-resistant coating Your phone might already be protected, however, Tech21 has gone an extra mile to protect your case from damage too. A special scratch-resistant coating has been applied to the case, which allows it to stay and look immaculate at all times. 12ft of market-leading drop protection If you are looking for a highly-protective case for your brand new Samsung Galaxy Note 10, then look no further! Tech21 Check Evo case has been specifically designed to be able to withstand and protect your device from drops of up to 12ft (3.66m), which is genuinely impressive knowing how thin and lightweight it is. Access to all ports and features The Evo Check case optimises functionality to all of the Samsung

Galaxy Note 10's ports and features. The case features open sections for the charging port, camera, buttons and the headphone jack for easy use. Ultra-thin fit design for wireless charging compatibility Due to Tech21 Evo Check being just 1.6mm thin, it enables you to flaunt the beauty of your new Samsung Galaxy Note 10, but also keeps the case practical to suit all of your needs. This means that you can enjoy excellent network reception and unobstructed wireless charging capability, whilst the phone is in the case. *image are for illustration purposes only
