BREATH TAKING AQUOS PICTURE QUALITY. NOW IN 4K ULTRA HDR RESOLUTION. REAL CONTRAST REAL DETAIL REAL COLOUR EILEX PRISM Aquos tvs come with the latest hdr standards. Coupled with high luminance technology, this gives you a consistently life-like contrast between light and darkness. The X4 Master Engine Pro II processor allows SD and HD video to be upconverted to 4K resolution with minimal noise and retained image quality. Improved backlights and colour panels provide a 123% wider colour gamut, giving you access to the colours that exist naturally in the world. AQUOS TVs optimise realistic tones for precise colour. The cutting edge in audio equalization technology, with the most sophisticated measurement method in the world. Eilex PRISM utilizes data from the entire frontal space of the TV to reproduce the sound of your favourite film or album to what the artists intended. Key Features X4 Master Engine Pro II Android TV with Mic R/C HDR Comfort Mode to reduce blue light Energy Efficiency Rating 4 Ticks Entertainment Tailored For You Android TV™ brings great content, apps and Android™ games to your TV. Stream movies, listen to music or play Android games on the biggest screen in your home. And with helpful features like voice search and Chromecast built-in, Android TV makes your TV smarter. YOUR FAVOURITE CONTENT & APP Watch hit shows, timeless movies and viral videos from Google Play and your favourite apps. If your app doesn't have what you are looking for, you can rent or buy thousands of blockbusters, classics and award-winning shows from Google Play. LESS BROWSING, MORE WATCHING

Android TV brings great content to you, so you can spend less time browsing and more time watching. Just pick the personalized recommendation, it will appear automatically in your home screen. If you know what you want, use Voice Search and Android TV will find “the Sopranos” for on-demand episodes, behind-the-scene YouTube videos, and full season on Google Play. Or for date night, try “romantic comedies” or ‘Hugh Grant movies”. **ANDROID GAMING ON THE BIG SCREEN** Introducing console-style Android games on your TV with a gamepad. Immerse yourself in arcade racing, 2D side-scrollers, 3D battles, and beautiful adventures. Or play a quick round of your favourite casual game. Whether you explore alone or compete online to earn achievements. Android TV offers a new way to play Android games on your phone, tablet or TV. **CHROMECAST™ BUILT-IN** Chromecast built-in lets you cast movies, shows and photos from your Android or iOS phone device or laptop to your TV. Streaming contents syncs across your phone, tablet and Android TV device so you can start a movie on your TV, then finish in bed on your tablet. And controlling Android TV is easy; use the elegant remote to pick content and search with your voice. Or, in a pinch, use the remote app on your Android phone or Wear Watch. *Click here to see full specifications. *Images are for illustrative purposes only.
