

Jabra Elite 65T Wireless Earbuds -Titanium Black

Conversations and music are made incredibly clear with the Jabra Elite 65T Wireless Earbuds that are proven to deliver best-in-class performance. Key Features Four-microphone technology gives you effective wind noise reduction on calls. Advanced speakers that are just 6mm in size lets you block out or let in ambient sounds. Customize your music with the equalizer found in the Jabra Sound+ app. Keep track of your headphones' battery charge with the app. If you're low on battery, put the headphones into the cradle or charging case and it will start charging automatically. You can find and install software and device updates directly from the app. With just one touch you have instant access to Amazon Alexa, Siri or Google Now.
