

Sony WH- XB700/B Wireless Headphone - Black

Get extra bass in a lightweight, comfortable wireless headphone. Powerful, clear sound lasts all day long with up to 30 hours of battery life. Download the Sony Headphones Connect app to optimize your sound settings, take phone calls with the built-in mic, and control your smartphone's voice assistant with the push of a button. Key Features Exceptional bass for deep, punchy sound As part of the EXTRA BASS™ range from Sony, the WH-XB700 headphones enhance all your low-end frequencies for exceptional bass, yet maintain vocal clarity, lifting every track with wave after wave of thundering rhythm. Enjoy wireless freedom with NFC and Bluetooth® Near Field Communication (NFC) and Bluetooth® technology remove the need for wired connections and complex set-up sequences. Simply touch your NFC-enabled device to the headphones for a quick, seamless connection, then start streaming your music collection. No NFC? No problem. Connect via Bluetooth and you're ready to go. Long battery life for non-stop listening A charge of around 4 hours gives you all day power with approximately 30 hours of play time, so you can keep on listening, track after track, mix after mix. Quick charging when you're pressed for time If your headphones are running low on power, a 10-minute quick charge will give you up to 90 minutes of play time. Ideal if you're rushing around from place to place. Sleek design and long-listen comfort Whatever your look, the simple, sleek, sophisticated design of the WH-XB700 headphones with a one-color vivid accent on the bass housing is the perfect match. Soft,

cushioned ear pads offer long-lasting comfort, ideal for listening to your favorite albums, back-to-back. Built-in mic for hands-free calls Switch effortlessly between songs and calls with no need to remove your headphones. Just press the multi-function button on the left housing and a built-in mic enables you to take hands-free calls from selected smartphones. Customize your sound Set the perfect sound for every song. The innovative Sony | Headphones Connect app lets you customize your bass levels and gives you presets to recreate club, hall, arena or outdoor listening environments. Be smarter with Voice Assistant Manage your day by connecting to your smartphone voice assistant through the headphone's built-in mic. Enjoy entertainment, connect with friends, get information, listen to music and notifications, set reminders, and more. *Image are for illustration purpose only
