

# Sony CMT-SBT40D Micro Hi-Fi DVD/Bluetooth System

The CMT-SBT40D Hi-Fi gives you more ways to listen, so you'll be able to choose your perfect audio experience. Key Features Play CDs, tune into the latest FM radio shows, or use NFC One-touch to make a quick connection then wirelessly stream music via Bluetooth. With a classic three-box design, this Hi-Fi will look at home in any room. Enjoy your favourite albums in 50W of room-filling sound. Two full-range speakers deliver well-balanced audio across the entire frequency range – so you can hear every note, from high to low, in bright clear detail. Play all your music from a smartphone or tablet by making a one-touch connection with NFC and streaming via Bluetooth. For full-bodied bass, turn on the Mega Bass sound setting to experience enhanced low-end tones. Choose the ideal setting for what you're listening to. A 7-band equaliser has pre-sets for R'n'B, Hip Hop, Rock, and more. Simply touch your NFC smartphone or tablet against the CMT-SBT40D to make an instant connection, then stream your favourite tracks wirelessly via Bluetooth. No NFC? No problem – you can also pair with Bluetooth manually. A classic three-box Hi-Fi combines a built-in CD/DVD player, radio tuner, and USB input with a sleek, modern design. Two compact, standalone speakers provide flexible setup options, so you'll be able to find the perfect Hi-Fi arrangement for any room. A supplied remote commander lets you skip tracks, control volume, and more, all while you sit back and relax.
